

Our Mission

- To build a network of Payroll Professionals across the Commonwealth and beyond.
- To provide training and recognition to all Payroll Professionals.
- To offer the Payroll Professional the opportunity to learn and grow.
- To pay every employee accurately and on time, every time.
- To uphold the mission of the American Payroll Association.

As a Payroll Professional, you are vital to your Company's success. You are the one responsible for payroll processing, technology development, and complete legal and tax compliance. Confidentiality and accuracy are essential and timeliness is central to every function that you perform.

As a Member of The Susquehanna Valley Chapter of the American Payroll Association, you would be equally vital to the success of our Organization.

Members of our Organization represent many companies in our region... from small businesses to the area's largest employers. As a Member, you will benefit from the knowledge and expertise of many Payroll Professionals.

We hope that you will want to join us; helping us grow as an Organization and helping our membership keep abreast of the ever-changing payroll profession. We are excited about the opportunities that we offer our Members, i.e. the broad range of meetings speakers, networking, opportunities, newsletters, study groups to help with your CPP/FPC test and community events, to mention a few.
